“ *Sure wish we could be with you all during this sad time. I was remembering some fun times, and Mike's little grin, as he thought what ever great idea we had for an adventure was "just not quite right". As the oldest he seemed to think he had to be above the fray!! I appreciated the small hugs I could reluctantly get out of him. He would have that same sardonic grin. I will miss him. Our prayers are coming your way. Hugs to all of you, Ken and Jacque*
