“ I just recently learned of Mike’s passing. He was such a wonderful man and I had such a great time working for him and with him during my years at Ridges hospital. Such great knowledge! It was an honor to work with him. B

“ I just heard today about the loss of Mike from Karen Black, and pass my thoughts and prayers along to all of you. Lots of good memories from the 15 years I worked with him at the Ridges. From the side jobs with him and Kenny to the abundance of "Windsor cherry cokes" we shared at Happy Hours. We had a good team. Mike was one of the good ones!

“ I am Don Pugh's older sister. I have lived in Colorado for the past 54 years, so I did not have the opportunity to know Mike and his wife Nancy like a lot of the neighbors did. But I do know that my Dad missed me, and "adopted" Mike as a sibling substitute for my younger siblings. That is how I remember Mike...my "other brother" if you will. My mom and Dad were so thrilled with the kitchen makeover that Mike created for them using his expert cabinetry skills. My mom did daycare for Jennifer and Jackie as they were growing up, so they were like family as well. My thoughts and prayers are with the entire Logas family, but especially with Nancy, Jennifer, and Jackie. Rest in eternal peace, Mike.

“ *Mike was my best friend, even though we only knew each other for 50 years. Mike was a great neighbor, my hunting and cabin partner, my over the fence conversationalist and my wingman on many journeys. Will miss you buddy and love you forever.*
