“ *Michael I still can't beleve what happened to you And I'm So Sorry Hope you didn't feel ANY pain when you fell When we visited you last Sunday It was so hard to see the injuries on your head and face Seeing as we were altogether on Christmas and you looked real good and when we talked you seemed to be doing fine Then 2 days later and we hear about you UNREAL !! More Then Ever I'm So Glad that we spend time with OUR whole family together on holidays again*

*We were together for 23 years Michael, 3/4 of our adult hood thus far When your with someone for that long they just become a permanent part of your life I'd be lying If I said I didn't have any feelings for you anymore In my heart I still believe that If It wasn't for that stuff {you know what I mean} Every couple has ups and downs Its normal*

*But along with the stuff I think Its almost impossible to stay together We are Blessed with 4 of the GREATEST kids and 4 of the GREATEST grandkids in the WORLD Thats the GREATEST thing we could have in the WORLD*

*So RIP Michael YOU WILL BE MISSED*

*BUT YOU WILL NEVER*

*FORGOTTEN*
