“ We both enjoyed being around Mike, because of his great love for life and friends, and of course, that infectious smile. His "carpe diem" attitude positively influenced those with whom he happened to come into contact. He will definitely be missed.

Losing someone we love is like losing a part of our soul. Learning to live without them is perhaps the most difficult task the human heart can encounter. I wish you patience, presence of mind, and courage during this most difficult time.

You're all in my thoughts and prayers! God bless, Tammy Laree.

“ Our sincerest condolences go out to Michael's family & friends. Known by his closest friends as "Melander" he was aka: Steve's "Little Brother" to some of us older Orono grads. His ability to make friends unconditionally whenever, wherever and with whomever was just one of many things that made him such a extraordinary person. For some like myself, special people like Mike only touch our lives for a few moments, but we know he provided a lifetime of love for his family & friends to always be remembered by and we're grateful to have known him...
