“ Mike was always a "go guy" ready and willing. The short time I worked with M & M he was supportive and willing to teach an old hand new tricks. I was pleased to contribute to the growth of M & M. He knew the technical issues I needed to get the sales to work. It was fun and exciting. I will see you on the other side.

“ Dear Dee, Michael and Michele, Please know that each of you have been in our prayers and our hearts ache for your loss. Mike was fortunate to have the three of you in his life and he felt richer because he had his beautiful family. Mike was one of the best men we have ever known. He was a great husband and father. He always had a good outlook on life and lived it to the fullest. This is a fragile time for all of you, time to grieve, to feel and to remember all of the wonderful times you each had with him. We know that it feels like your hearts and spirits will never heal yet we believe that Mike's presence will be with each of you forever. We love you all, Diane and Judd

“ Dear Dee and Family, Our thoughts are with you all during this very sad time. We wish we could attend the services for Mike, however, please know that you will be in our thoughts and prayers. Though we never met Mike, it was your love and devotion Dee, that gave us the knowledge of how wonderful and kind a person he was. May the love we send to you at this time bring you some warmth and comfort. Love, Lily and John
