“ I didn't know Michael personally but I too recently lost a loved one that died too young and I like to share the same encouragement that helped my family during that trying time. In particular Isaiah 25:8 "He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces." Doesn't that just sound nice? If you would like to know more about how God promises to reunite you with Michael, on earth, in the perfect state he intended for it please feel free to contact me at jlkidd@sbcglobal.net. Very sorry for your loss.

“ Louie and Francene, We were so sorry to hear about Mike, we remember when you used to come out to Hutch and Litchfield to see horses when he was just a little guy. Although I never met Mike later , many of my friends in Dentistry had nothing but high praise for his exceptional abilities in our profession. Our thoughts and prayers are with your entire family. “ Our thoughts and prayers go out to you and your family. We always enjoyed going to see Dr. Mike. He was so gentle with the kids (and some of us adults too ;) He was one of the kindest people I knew and often inspired me to be a better person. When I got my braces on again at age 40 you made it kinda fun for me and even though you won't be here to see the final results in person I will be sending you a big smile up to heaven and a huge thank you in a couple months when they come off. You will be greatly missed Michael but heaven is a better place now because of you :)

“ Sheila, Megan, Shawn, Erin, Lauren and the entire Nanne family. I am so sorry for loss of Michael. I prayed so hard for Michael from the beginning of this battle, I physically hurt. He is free of cancer now and rejoicing with the angels. There will be days we will feel empty and missing Mike's humor and warm smile. He was a hugger, always a hug, no matter the day ! We must remember that Michael is still with us all everyday . He taught me to live life to the fullest, enjoy each day and look for the postive in any challenge. He was not just an amazing friend he was the best friend anyone could ever ask for. He reached out to people in need and always had a smile on his face. I was lucky enough to spend 14 years at Northstar Dental Clinic with Dr. Mike. We would have days that were crazy at the clinic, and we would all leave together at night and Dr. Mike would turn to us with a smile and say "Thank you." Today Michael, I thank you for showing me what true happiness is and showing me how to live each day as your last. I will never forget you, you will be in my heart forever. As I always said in my thousands of texts we exchanged... to my favorite DDS and a best friend.. thanks for being you! May you rest in peace Michael. May you be rejoicing in eteral life with Jesus !Until we meet again..I love you Michael !
