This is one of my favorite pictures of Mike and the Winter Staff of 1982-83. A great shot of Signe, Clem, Jay, Lolo, Kasey, Laurel, Juan, Eng, and of course Mike in the cowboy hat. God's peace, old friend!

“ Lynn, Ryan, Kelly and family: There are so many memories to share. Mike was one of my best friends ever and I sure will miss his gentle spirit. I know he loved you all very much. My memories of him include all the fun adventures we had over the years, from late nights playing cards, to golf, to times he visited me back when I was farming, and the various trips to and from Seattle. I will not forget him, ever! John
