“ Dear Dan and Diane,
Your parents were so proud of you both. I will remember the many happy times spent with them over the years. They loved each other and you, so much. Their marriage and the happiness they had together was so sweet to see. I'm so glad they got to enjoy watching you grow up and had the chance to be grandparents; I know it brought them joy.

Love you,
Kate Remus

“ Diane and family, thinking of you all at this most difficult time. May the thought of your dad being reunited with your mom bring you some comfort and peace. Knowing they are together pain free and soaring high in the sky. They will both be there to carry you over to the world of forever! Heavens much brighter as they have been reunited that's true love! God bless, your in my thoughts and prayers.
