Hey Mikey.. Thank you for letting me know you are okay and crossed over. You scared me in my dream. Yet, that is nothing new. Lol. I miss you and our phone conversations. I still have that photo where you wrote to me on it. Mikey, you were a confused soul just like the rest of us in our family. I love you and so dearly miss you. I'm sure mom is throwing coffee cups at you and Craig because y'all can't stop arguing. Give them my love. Until you visit me again, je'taime.
