

Michael R. Schuster

September 17, 1946 - June 12, 2020

Schuster, Michael R.

Age 73 of Otsego, formerly of Maple Grove, passed away June 12, 2020.

Preceded in death by parents Robert and Irene and brother Tom.

Survived by wife Nancy; children, Joel (Jayna) and Amy (Brady) Erickson; six grandchildren; Clayton and Mason Schuster, Ellayna, Noah, Zachariah Odegard and Stella Erickson; siblings John (Julie), Steve, Mark (Linda), Roberta (Al) Lane, Paul (Sue), Ron (Deanna); numerous nieces, nephews, cousins and other relatives and friends.

Please come and share in the celebration service of Mike. He will be missed greatly by his family and friends. We were extremely grateful to have Mike live 3 years after a bout of medical issues and coming home on hospice.

He will be remembered as a behind the scenes kind of guy that was always there to help out a family member or friend and never ever said no to someone in need. He truly loved his people and was devoted to his wife Nancy of 52 years of marriage. His children and his grandchildren held a special place in his heart. He was a man of few words and used his actions to express his love.

Graveside service 11:00 AM, Friday, August 14th, 2020 at Washburn-McReavy Glen Haven Cemetery, 5125 West Broadway, Crystal.

“ Cousin, Michael will be missed at family reunions and other gatherings. I'm sorry we haven't maintained the traditional family reunions. As a result we have lost connecting routinely. Funerals are now the gathering opportunity, but this year, that isn't possible. So, I'm sending my sincere condolences to Michael's family. I still maintain my Shutterfly photo album of Schusters, if anyone is interested email me and I'll connect you.

“ *I am so sorry to hear this. I met Mike on my first day on the job at Zanewood in 1972 when he told me not to put any masking tape on the ceiling of my classroom! Years later I had the honor of working with him at Edgewood. He occasionally "acted gruff" but did everything ever needed or asked of him and did it well. Highlights included summer take out meals from Wagners drive-in and the time he successfully used the Heimlich manuever with a choking child in the cafeteria. My condolences to Nancy and his family.*

“ *I worked with Mike at Edgewood education Center, District 287, His last years before his retirement. Mike always had his sarcastic way of making me laugh. Even though our time working together was brief, he left such an imprint with me. I will never forget the memories/laughs that were made. Mike like to give the impression that he was a crotchety old man and you were inconveniencing him, But that was his humor. The man had a heart of gold and would do anything for you. Good times, great man! Rest in peace my friend . Cindy Brose*
