“ We put flowers on your grave today and the gravestone is in. For anyone who is interested in visiting, here are the directions to St. Margaret's cemetery: Go south on Shady Oak Rd from Excelsior blvd, turn left just after the Scoreboard restaurant (Bren rd), then turn into the cemetery. Mike's near the first right turn in the cemetery. Just go down from the cross toward the road, black gravestone. Miss you Mike. Love, Dad & Mom

“ Bruce, Arlene and the Taber Family, We just learned of Michael's passing in the BSM Crown and Shield and wanted to express our deepest sympathy. I believe my dad Jim Ryan had some of your boys in class at Benilde. And I believe my mom Rose Mayers Ryan is a relative of Arlene's. I recall a summer day when your family came to our place on Green Lake near Chisago City. My sister Martha was in David's class and I graduated in 85'. Please know you are in our thoughts and prayers. Jim, Rose Ryan and Family

“ Attended Mass at St. Therese today with my brothers, Bruce and Mark (and my son Emery). The Mass was requested in Mike's honor, by longtime family friends, the Kretsch's. It had been a long time since the 4 Taber boys were all in church together. Awesome.

“ Dear Mike, apparently I'm the last to know. I asked Felix tonight where you were and was blindsided when I heard the news. Almost 2 months have passed since I last saw you, it's hard to believe that you are gone and I think I am going to have a hard time accepting that. I'm touched to see all the friends and family that you have and can only imagine how hard the loss must be for them. What I liked most about you was your personal genuine, down to earth quality; you always had great connection with people and I always appreciated that most. Even though I only knew you at Boston Garden, I always considered you a friend. My sympathies to your parents, brothers and other family members who struggle each day with your loss. I'll miss you brother, say hi to Frank and remember we always like to split an order of ravioli and a sub club.

“ I think about you all the time, Bro. My first birthday without you and a part of me is missing. I would always have to call you today (because you'd always forget) but that is how important you are to me. My sister (who always knew what a great person you were, too) gave me this passage for comfort: "...whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is commendable, if there is any excellence, if there is anything worthy of praise, think about these things. What you have learned and received and heard and seen in me - practice these things, and the God of peace will be with you." I thought of you so much in Africa, and I know you were there with me. I know you are with me wherever I go. Thank you for being such a good friend - always.

As usual, I would have picked you up at your house on your day off, a stop at McDonald's for a burger, and then to Eden Prairie and the movie. Miss you son, Da

“ I worked with Mike every Wednesday for the last four years, before I left for school out west, and I'd say we made a pretty damn fine team. I know that Mike would agree. Of all of the reasons to visit the Boston Garden, Mike was the funniest, humblest, and most compassionate. He knew how to cook, how to laugh, and he allowed his personality to extend much farther than the bearings of the restaurant. The conversations that we had together we're timeless, as we were both men of culture. Our relationship will exist indefinitely in the music that he gave to me over our years together, and to be able to tear up when I listen to an album that reminds me of Mike truly is a gift, as memories always remain. My condolences to his family; You know this above anyone else, but just looking at this message board it's obvious that Mike Taber was the best of men.

“ Our sincerest condolences go out to the Taber family and all his friends. We've lived in Hopkins the past 9 years and have been going to Boston Garden, or as its known as in our house, "Mike's Place" for most of those years. The food is always great, but it was Mike and his awesome personality that kept us going back more than anything. He was such a great guy. He'd say hi to me every time he saw me running by or if my family was out on a walk he'd coming running outside to greet my daughter with a cookie. He was really a special guy and will be missed greatly.

“ Mike was my best friend growing up. We spent just about every day together making our way through Junior High and High School. Mike will always be one of the very few people who made me genuinely laugh - something I prize above all else. His sense of humor grew from challenges in life and was a constant reminder that no matter what happened, he could put it in perspective. I would not be the person I am today if it weren't for the years I was lucky enough to spend with Mike. I thank him for all the laughs, all the serious moments, all the trials and tribulations that we faced together and apart. My experiences with Mike will always be with me, reflected in my actions, thanks to the honor of knowing such a talented person.

“ Mike. My Boston Garden/Subway brother and friend. You affected so many people in a positive way, there may not be enough room in this guest book for the entries from the people you've touched. That includes everyone in my family. It won't be the same to go into Boston Garden and not see your cheerful face. But, the memories you leave will put a smile on my face when I go to the place where we first met. My sympathies and thoughts to your entire family. Kari Annoni and Family

“ Mike always had a huge grin and it was always a treat to see him at Dave's house, The Tavern, or working with him way back when at the Garden. I'll always remember visiting Hopkins for the holiday, making the usual stop at the Tav, and running into Mike. I'm saddened that things won't be the same, but clearly every memory I have of Mike is him smiling and spreading his contagious laughter. Your friends and family miss you but will see you again. --Love to the Tabers--

“ There are some things in life you never expect to happen for a while, and this is one of those. Mike was an amazing person. I've personally known Mike for over 25 years. He was family. He was a friend. He was one of the most genuine, kind-hearted people I've had the pleasure of having in my life. I'm truly so sad over this, and wish I could have seen him one last time. Mike had a way of making people feel important and especially so dear to our Hanlon clan. “ Our prayers and thoughts go out to the entire Taber family. I have such great memories of Mike and will miss him dearly. Mike, each time we visited MN we would stop in to see you and you always welcomed me and my family with a big smile and hug, along with some great conversation. My heart finds comfort in knowing you'll be waiting for all of us at the gates of heaven to welcome us home. With love, Michelle, Patrick, Becca, Bryce, and Kendra (who remembers YOU introducing her to the only ravioli she'll eat).

“ I've been known to change peoples names, many years ago, Mike wanted to be called Jeb, he forever will be our Jeb. He always called me Luka. Always a smile and a hug for everyone. Our thoughts are with his family during this very sad time.
