

Michael Wayne Twedt

February 18, 1966 - April 16, 2018

Michael Wayne Twedt, 52, of Minneapolis, MN, died on April 16, 2018, after a fall in his home. To quote his good friend Joel Hanson: “Mike’s life has impacted many, many people and now his passing has left us all broken hearted. We are left clinging to memories that will surely bring laughter and a smile each time he crosses our minds. Mike’s passing has left a huge void for us all. The thing is that whether it was a day, a week, a month, a year, or 10 years since we last saw him, it was never hard to pick up right where you had left off with him.”

Mike was born February 18, 1966 in Fargo, ND to Julian and Shirley (Johnson) Twedt. He grew up in Kindred, ND, where he attended grade school and high school. Mike graduated in 1984 from Kindred High School and received his accounting degree from Concordia College in 1988.

In the summer of 1988, Mike moved to California where he worked in the finance division of the Cargill salt division. He moved to Minneapolis in 1994 where he continued to work for Cargill in their internal audit division. Mike progressed into a financial operations management role with Cargill's Black River Asset Management, and later into origination with its Trade and Structured Finance business before moving on from the Cargill family of businesses. Mike then worked in international sales for airplane scale manufacturer Intercomp, before joining Keller Property Management as a

partner in 2016. At the time of his death, he was beginning a new venture in industrial real estate.

Mike's love of sports was evident in his participation in high school football, basketball and track and college football; and he carried this passion on in his support of the Minnesota Gophers, Twins, and Vikings. He also enjoyed golfing, traveling, and spending time at the lakes. His love of life was evident by the large circle of friends that he retained from high school, college and work.

Mike married Lisa Husby in September 2006 and they were together for a couple years. During that time, he found his beloved female companion -- his Golden Lab Sasha. He and Sasha were inseparable for the past 12 years, and he recently had to put her to sleep.

Mike is survived by his parents Julian and Shirley Twedt, West Fargo, ND; his sisters Sherrie (Jeff Michels) Peterson, Fargo, ND, and Alana Twedt, Beaverton, OR; his nieces Heather Peterson, Fargo, ND, and Brianna (Stephen Byrne) Peterson, Belfield, ND, and nephew Staff Sergeant Dylan Peterson, Melbourne, FL; his extended family of aunts, uncles and cousins; and his many friends, including his long-time friend and supporter, Lisa Palm, Minneapolis, MN.

“ I was so saddened and shocked to hear of the loss of Mike. I got to know him thru the Opdahls. He was always so fun to be around with a constant smile on his face. My thoughts go out to his family and everyone he touched.

“ My sympathy to the family of Michael, I grew up with his dad as a young girl in Barrie township, North Dakota, and DuWayne and I always felt it isn't right that parents have to suffer thru the loss of a child. May God give you peace and strength thru this difficult time. Love to all, Arla Mae (Hagen) Discher

“ To my “Spruce Street Family” ,

Oh the memories that I have with the Twedt's Growing up with Mike was always an adventure. Living in a small town you obviously get to know your neighbors very well. So well that they are your extended family. Mike was a swimming lesson buddy, classmate, “night game” warrior, camping companion, Barbie Doll sidekick (only if he could be Ken), a great fan and supporter, a forever friend, and a BROTHER. I am so grateful to have grown up with Mike. He will always have a special place in my heart.

I will miss you Micheal Wayne.

Love to you all,

“ I never met Michael but have been a friend of his sister for over 30 years. I am sad I never got to meet him in all those years. Love and prayers for comfort to my long time friend and her family and Michael, may you rest in peace and I hope you are throwing the ball for your dog up in heaven. I am thankful your sister has been such a wonderful friend to me for so many years, watch down on her from time to time, will you?
