“ Dear Vig Family and Scores of Friends, I and my son, Nick, had the profound pleasure of knowing and enjoying Mike for 10 years. Through Midwest Special Services, Shoreview, Mike as a Program Director and my son as a Client became quick Pals. Mike's talents were many and quietly hidden in working with adults in the community with profound special disabilities. But, Mike was gifted! Please know of the joy, laughter, wit, wry humor and kindness Mike gave to me and m son, and so many others often. We hold tight to these memories in photos and in our hearts. We mourn with you the passing of an honorable man, passed too soon. May God bring you comfort and peace at the most difficult time. Godspeed, Mike Vig. Now rest with our Lord in His arms at peace forever.

“ *I am so saddened to hear about Mike's passing. I got to know him at Midwest Special Services over the last 15-20 years; my daughter Susan attended there and liked him so much as well as I. He affected so many lives and made positive changes while he was at Midwest. We will surely miss him a lot. Our deepest sympathies are with you all.*
