

Michael Christopher Vincent

June 10, 1978 - November 26, 2024

Michael was 46 years old - born in Minneapolis in 1978. He died suddenly at home on November 26th. Michael grew up in Edina, MN and attended Our Lady of Grace School and St. Thomas Academy. He graduated from Edina High School. He was preceded in death by his grandparents. He is survived by his parents, Michael and Carolyn Vincent, and his daughter Alexandra Hope Vincent. Michael enjoyed golf, skiing, and baseball very much; he helped many young people get their start in skiing. He loved animals and they adored him in return. He worked for his father at Vincent Metals for many years and then went off to explore his own dreams and interests. Michael had the heart of a scientist. He was curious about the world, following world explorations on his computer and TV. He put together a small gallery of items of historical interest collected in his closet, which he constantly updated. Every day was a collection of unlimited adventures. A funeral service was held in his honor on December 11th, and he was buried at Lakewood Cemetery in the Vincent family area. He will be dearly missed by his family and friends.

"Each life is an unfinished work of art completed only when returned to the loving hands of our Creator."
