“ I had the good fortune of working with Mike at Finance and Commerce for 7 years. I have very fond memories of sharing early morning doughnuts with Mike, Bill and the rest of the press room crew. People as incredibly nice as Mike are a rare gift, but they seem to be abundant in the Wolfe family. Mike will be deeply missed by all of us who knew and loved him.

“ *Gloria and Family - I am so sorry for your loss. I worked with Mike and Bill at Finance and Commerce. I'm in IT so we came from two different worlds but always something to talk about because we were all car guys. Mike will be missed because he was a great human being. He was always willing to do what it took to get the job done and really cared about whatever it was he was doing. You and your family are in our prayers.*

“ I worked with Mike at Finance and Commerce for 15 years. We only had two units and limited spot color in the beginning and the pressroom was a disaster. He was the key to building that press operation into a fine commercial operation that printed dozens of local newspapers. He made it possible to bring Finance and Commerce, Minnesota Lawyer and the St. Paul Legal Ledger into the modern color printing age. He had a vision of what was possible and often achieved it with limited equipment and resources. I got to know his family because almost all his brothers and his two sons worked there at some time, Bill for the longest. He got to know my daughters because they came down to insert and help out in emergencies. We had the Washburn High School Women's Soccer team come down on occasion. Mike was much respected by those who worked with him. I have never known anyone who worked so hard, was so dedicated and had such a tight family. Mike and his family are in our prayers.

“ To: Mike's family. Mike was my supervisor/manager at Finance & Commerce and will be truly missed. As a fellow US Veteran, Mike and I could always find common ground in that we were both very proud to have served our great country. Our Military discussions usually took a comical turn to the “quality” of the food and lodging accommodations offered by the US Marines and US Army. Mike always had lunch with his “people” each and every day that alone speaks volumes of the kind of person Mike was and how he will be remembered. I am a better person having known Mike Wolfe and offer my deepest sympathy to his family. Randy Gendreau
