“ It is with regret to say, I won't be attending @Michelle Klein funeral. In lieu of her Celebration of Life, she knew I loved and respected her. She made some unbearable days, bearable, and joyous of days even more joyous. Her infectious smile and laugh will always be remembered. Her unwavering Mothering to support us all, cherished forever. Her amazing gift to make all feel welcome and loved, priceless. If you were a recipient of anything she made, truly special. Loved so much and never forgotten and always in my heart. She is and was truly a very special lady. God blessings. Grateful for having had her in my life and making an incredible impact. She is now living her best life. I truly believe that. Y'all have a blessed moment with Michelle and know, she knows all our hearts are with her. ❤️❤️❤️🙏😊

“Mama, you were our sunshine, our light in our most vulnerable moments. I can hear your laugh clearly, I can picture your smile. You were our gift we didn't know we needed. We were your girls. I will always carry your strength in my heart. You scraped me off the floor from my knees and wiped my tears. You never let me fold. I love you ❤️

“I have so many great memories I wouldn't even know where to begin to share. I can honestly say the moment I met her the first time I knew that she was an amazing person. Always had a smile on her face and always there to listen. She will be missed by so many. Her family and friends I will have you in my thoughts in prayers as you go through this difficult time.
