“ Dear Mrs. Mattfield and family,
We've never met but Mike and I were very close growing up through junior high and high school. My name is Bob Mickelson. I assume at some time during your life together he may have spoken of some of our escapades. We hunted together, fished together, and almost wore out his moped together. In a sense we were almost like brothers. A number of times in the last few years I thought I should see if I could locate him so we could get together again but I waited too long.

I've lost a good friend that cannot be replaced. When I saw his obituary in the paper this morning I was and am, very sad. I am truly sorry for your loss; my prayers go out to you Mrs. Mattfield and to Julie and Danny, if they are still with us also.

Please accept our Lord's mercy and grace to carry you through this sad time. I wish I could attend Mike's service but I have to go out of town for a wedding this weekend.

Sincerely yours,
Bob and Jean Mickelson
