“ *I remember Auntie Mildred by her love for bowling on leagues,her love for mn sports teams,hard candies and donuts,double cheek pinches every time she caught you,but most of all her uncanny everlasting smile no matter the situation...always comforting and knew you needed a cheer up...I will cherish our special time at her house the day my sister was born,she came and picked me up special from tiny tots park programs and Melissa was born with her signature red hair! Love you so much Auntie and very blessed to have spent time with you and my mom this year and blessed your legend lives on always in Dick and Nancy. Your great niece,Heather Hudak(Rittinger)and Family*
