“ *I was blessed to meet and help care for Mildred in my role as a chaplain at Woodlake (previously Saint Therese) where she lived at the end of her life on this earth. Our staff and the residents with whom she formed friendships miss seeing her beautiful smile and sparkling eyes, hearing her sweet southern accent, and experiencing her positive, encouraging spirit. May the peace of God, which surpasses all understanding, guard the hearts and minds (Phil. 4:7) of all who are grieving her loss.*
