

Mildred Elaine Narveson

May 14, 1932 - April 4, 2025

Mildred (Millie) Narveson was born the 14th of May 1932 in Floyd County, IA. Shortly thereafter she and her parents relocated to Webster, WI near the farm of her maternal grandparents. She spent a great deal of time with her grandparents on their farm while growing up. She held these memories near and dear to her heart for as long as she lived.

She welcomed a sister in July of 1936, and they became best friends for life. They spent their adult lives sharing all holidays and socializing on a frequent basis. In their retirement years they and their husbands traveled together and shared much laughter and good times.

Following high school graduation she moved to Minneapolis and worked, married and raised a family and unlike many of the homemakers during this time period, continued to work outside the home. Mildred maintained a busy lifestyle and excelled in most everything she was tasked with.

In her later years, she cherished her time with family. She prepared memorable dinners and holiday celebrations. Sewing was one of her many talents and her grandchildren would simply request an idea they had for

something, and she would have it on a sweatshirt for them much to their delight.

Left to cherish Mildred's memory is her son, Karl Narveson, daughter, Carla Bredenberg, granddaughter, Riki-Ann Thomford, Grandsons, Bradon Narveson, Jake Bredenberg and Trevor Bredenberg, great granddaughters, Regina Thomford and Nia Bredenberg, great grandsons, Louis Thomford and Theo Narveson and many dear friends, neighbors and extended family.

Mildred is preceded in death by her husband, Ronald Narveson, grandson, Derek Narveson, sister, Marilyn Thomas and brother-in-law, Robert Thomas. Private family services were held.

Millie, Mom, Grandma, Great Grandma and dear friend will be dearly missed by all who knew her!
