“ Dear Ralph, Scott, and family, AJ just called me and told me about Millie's passing. I'm sending you hugs and love from Seattle, where I have lived for three years now. I will always remember Millie's warmth and laughing with her about everyday things. You were great neighbors to us, Ralph, and I know AJ thinks the world of you and Millie. All I can think is that she is catching up with Pat and Greg in heaven. I am so sorry for your loss. Love, Sabrina

“ *Ralph and Scott, I am so sorry for your loss. May God bless you both during this most difficult time. Millie was a very special person. I will miss her holiday gingerbread snaps/cookies this and every year. It was always so nice of her to make sure my mom passed them along to me.*

“ I am another woman that met Millie through the Minneapolis Deaneries CCW. She was the person I turned to for advice on the CCW. I served as her Parliamentarian when she was President. She will be missed by many. My deepest sympathy to you, Ralph and Scott, and the whole family. Words at this time are not enough, but remember you are in my prayers during this difficult time.

“Ralph, Millie and yourself were so warm and so kind to me from the day I was born--truly the best neighbors anyone could ask for. Millie was one of the nicest people I've ever met, and I can't even imagine how much she will be missed. You are all in my thoughts and prayers.

“ I knew Millie through the Minneapolis Deaneries Council of Catholic Women. Millie served as our President from 1994-1996 and again from 2004-2006. Over the years she has held numerous other positions on our Board. She always served with great energy and dedication. In his wisdom God chose this time to take Millie from us, but she will be dearly missed by those she left behind. My sincere sympathies to Millie’s family. I feel blessed to have known her.

“ Dear Ralph and Scott and family, Having lived 2 houses down from you for the last 12 years, Mille became like a 2nd mother to me. Words cannot express the sadness that I feel in my heart at this moment. She was always there to look out for me and to make sure that I was ok over here. We had a lot of "over the fence" conversations. She was a great community person. She enjoyed being a part of getting the neighbors together for NNO. I always felt safe knowing that Millie was on the lookout for suspicious activity around here! I will miss her greatly. Millie will NEVER be forgotten. She is in my heart always. With deepest sympathy, Andrea Stolhanske
