“ *To Sandy, Kristina, and Scott. Such a loss to your family. Miles was very well thought of and he was a very sweet man. He was always doing such nice deeds for everyone, and I remember him outside on the coldest day in Winter shoveling snow for your Mother when I pulled up or taking care of her lawn on the hottest day in Summer. He'd always smile and give a wave and continue on with his work. Then he'd come inside and chat a little before he went home. I always liked that about him.*

*I am sure that he will always be in your hearts and by your side. You will never have to worry about being alone when you think about his memory. Love, your Cousin Sharon*
