“ My dad, Jim Zdrazil, had contact with Mr. Westlund throughout his career. I only knew Milt Westlund because of those sweet half-sheet pads of graph paper with his company's name on it. They were great for drawing, making lists, and--with the help of my dad who understood such stuff--completing math homework. The last pad we got was used with a reverence unusual for a paper product. God's peace to you all as you mourn Mr. Westlund. And thank you for those great note pads.

“ I didn't get to see Milt a lot, but whenever you did see him, it seemed like you could continue the conversation you last had with him like you had been chatting with him yesterday. What a blessing it was to know him.

“ *The Westlund family has been long time friends of ours. Milt was a Godly, caring man who loved his family very much and he will be so missed. He is now with the Father worshipping - and perhaps directing a choir with those that have gone before us. He is in a wonderful place but yet it so hard for the rest of you. Darlys, Jeff, Randy, Jeanine, and dear Rachel , you and your families will be in our thoughts and prayers as you go through this difficult time.*

*Love*
