“ I just listened to *Unshackled* by Pacific Garden Mission on BBN and decided to Google Milton Haack to read more about him. What an interesting story of how he came to make his decision to accept the atonement for sin that Jesus made for him, and made for me, and all of mankind! I've never heard a story of actually leaving his mother and father in order to demonstrate his faith in Christ. What a strong faith this brother in Christ had! Thank you for posting his obituary here and letting others see his face. God continue to bless the family of brother Haack and all of those who hear his story and wait for the day when we can all see Jesus face-to-face and meet brother Haack and his family, friends and all those who he helped to find their salvation and faith in Christ! And thank you brother Haack for your service to our country, but thank you much more for your witness and testimony for our Lord and Savior Jesus Christ to the world who needs Him so very much to have the Blessed Assurance of salvation that only Christ can provide by our faith in Him.

Ed Hyland, that's exactly what I did, checking to see if it was the same Milton Haack that I had heard about from Story Book. Deepest condolences to Milton's family.

“ Milton was one of the first brothers in Christ I met in the 80's as I was newly married with my wife Kathy and came to Story Book Lodge camp. Along with Uncle Ben and Aunt Jean who were the care takers of the camp, I also got meet along with Milton Vernon Shlief, Dan Smith (Vancouver), Dr. Howell and a young Jabe Nicholson. I was introduced to the camp by David and Anne Rodgers. I have so many good memories of the good Christian fellowship so early in my life.

“ Milt Haack was one of my favorite speakers at the Brethren Assemblies in the Twin Cities area. He always used the term Beloved when preaching to the congregation; and it always blessed my heart to know that God loves us and to hear it.

Praise the Lord for Milt and Marjorie Haack! Darrel L. Harman
