“ To: Papa Qui's (nick name for Milton D. Quiggle) family: May the Lord give you His peace during this time of your life. I knew Milton D (as we sometimes called him) very well in Cameroon. Taught in his school, shared many meals together, travelled with him. He asked me to write to his mother then living at least once a week. He was fun to be with. Like a big brother. Amazingly, the day of his death I was discussing him with a friend not knowing he was finishing his journey on this side. Milton D. will be fondly remembered. There always be only one Milton D. God Bless you all.

“ Our heartfelt sympathy for the Quiggle family. Milton had a very special presence - he was kind and gentle, and always seemed to have an interesting story to tell, and a lesson to teach. Some of the best photos of our family were taken by Milton - it was easy to smile for a person who was always smiling....Please know that our thoughts and prayers are with all of you.
