PS

“ *Miriam was my better half for most of the 1970's, and I do mean better half! We had many good years before we went our separate ways. We did however still maintain a loving and caring friendship for the last 34 years. I will treasure forever the final days I was able to spend with this totally exceptional warm and wonderful woman. She touched all of us like no other. Love you always Mirm*

“ *I will always remember Miriam as a beautiful young lady ---it was over 40 years ago that I knew her. I was a good friend of her brother Jon and the last time I saw her was at his funeral. My thoughts and prayers are with her friends and family.*

“ *I had attended Washburn High School and Bethlehem High League with Miriam. It has been since her brother John's passing that I had seen her. I am saddened by her being called home so young. My condolences to her family and friends.*

“ *Miriam was a life long friend of mine. I grew up with her family, John [her older brother] and I went to school together. Although I had not seen Miriam in 40 years I was fortunate to be able to call her the week prior to her demise. She is a part of my life, and always will be. Steve Stoyke, Washington D.C*
