“ I met Mitch when I was a kid in high school (through college when needed) working at Southdale, keeping the schedule, washing towels, greeting customers and eating the candy! :) - He was somewhat quiet, hard worker, reliable, always kind, and quick to have your back if you needed it. True & true great person kind, generous, fun, treated others well, and enjoyed life! It was a pleasure to know and work with you Mitch!!! I too have lost loved ones, please find comfort in knowing that the energy does not leave us as the their lifeless body does. We still FEEL their love, because their love IS still with us, we are blessed as that energy does not leave us. <3

I stumbled across this tonight. Thank you for your kind words about my father. I was brought to tears reading your post. Like you I have fond memories with him at Golden Razor. That place was a big part of his life for so long.  
Thank you again.

“ Just found out today that my old buddy Mitch passed away...so sad! Last saw him in Finlayson at a party for his dad, Thor. Besides cutting my hair at Southdale, we had a few fun fishing trips to the St. Louis River. Always wanted to make it to his place in Florida. He was definitely one of my best friends growing up in Hinckley. He will live on in my memories. For his family, I am so sorry for your loss. Love ya Mitch!

“ I haven't seen Mitch in over 40 years. I played trombone with him in the Hinckley HS band. We had so many laughs. Please know that I will keep his family in my prayers.

“ My sincere condolences go to the family for the loss of their dear loved one Mitchell. I would like to share a Comforting thought from the bible found at Philippians 4:7 And the peace of God that surpasses all understanding will guard your hearts and your mental powers by means of Christ Jesus. 🌹
