“ Mitchell, you were so loved and still are. I know because of how heavily I am still affected and I know the rest of the people who knew you are as well. I cannot believe it has been 9 years, it feels like only yesterday we were on the phone laughing. I will always have a deep love for you in a very special place of my heart. I know your smile is now lighting up heaven and heaven is as lucky as I was to ever call you my very dear friend. xoxo, KP

“ He was a great kid I never said anything to him nor ever met him but just the looking at his face. I am the high school wrestling manager and would've loved to see him wrestler this past year I had heard many great things about him. I pray for the family and to have them now that they did nothing wrong in his up bring and shouldn't feel like this is there fault in any means. I love you all and peace be with you.

“ *What wonderful hope we have in the glorious resurrection. Couldn't make the funeral darling but I was there in thought and spirit. One golden daybreak we will see each other again and you can be my own personal guide around heaven. Thankyou Father for the privilege of having Mitchell in our family and bringing us so much happiness.*

“ Dear Family of Mitchell,
I have never had the pleasure of meeting your son, but my heart is so sad for you and all of the people who knew him. I am sorry that I never met him as it is evident how special he was to everyone in his life. As a parent, I cannot imagine what you are feeling right now. I will pray for you and your family as you go through the most difficult thing anyone could ever imagine. I will also pray for Mitchell, knowing that he is in a better place, but that he can shine his love on all of you so you can feel his presence until you can see him again.

May god bless all of you.

Sincerely,

Andrea Patten

“ I am the Ramsey Co. Sheriff Chaplain that came to your home last Friday. I grieve with you, have prayed for your family many times in these last days.

I would have come to the funeral but have a conflict and cannot. I want you to know you are in my prayers. I pray you will sense the truth of these promises from the Word of God:

"I will never leave you or forsake you, so we can confidently say, 'The Lord is my helper; I will not be afraid.'

Jesus said: "I will not leave you alone, but will send the blessed Comforter who will abide with you forever."

"Underneath are the Everlasting arms, upgirding and strengthening."

I am so glad that you have a fine pastor and church friends to stand with you also. [Most of the cases we see as Chaplains, people have none of the above.]

I mentioned to you the importance of getting grief counseling soon. I have referred your family to Margaret McAbee, Exec. Dir. of Survivor Resources. She can be a great help to you if you will allow her. Her phone is 651-266-5674 or 612-961-4770 [cell].

I am so sorry I cannot attend the visitation or service, but you will be in my prayers.

Sincerely,

*Bill MacKinney
