

Molly Gerilyn Stroot

June 23, 1963 - May 5, 2021

Molly Gerilyn Stroot, born June 23rd, 1963, attended Pearson Elementary and Wheaton High Schools in Wheaton Minnesota, graduated from the Sacred Heart High School in East Grand Forks, Minnesota, and attended the College of St. Benedict before going on to earn her certification as a veterinary technician from the Medical Institute of Minnesota. Preceded in death by her father Bud Stroot and her step-father Edward Rodakowski, Molly is survived by her two children, Aaron and Megan, grandchildren Sophia, Michael, Malique, Jaimee, Aaron Jr. and Dion, her brother Scott, and her mother, Carol Rodakowski.

Molly had a big, generous heart, and lived her life in service to others; her family, her friends, and to the many critters she lovingly tended to over the years, both professionally as a veterinary technician, and personally as a doting "pet-mom". While by nature a deeply kind person to all, Molly's heart-light burned especially bright when she could love on and fuss over the many dogs, cats, birds and furry little creatures of all kinds fortunate enough to cross her path. We will miss her generous spirit, her sly sense of humor, her hearty laugh, and the loving kindness she shared so openly with all of us.

(If you would like to make a memorial gift of some kind, the ASPCA or animal rescue organization of your choice would be a good choice to honor Molly's legacy.)
