“ I wish I could be there today but have been unable to make my schedule work so that I can come. Mom will not be able to be there either - it's just not possible for her to do that kind of travel anymore. But we will be thinking of you and lifting you up in prayer.

Monica was such a special lady. I remember getting to spend week-long visits at your house in the summer when I was younger. Monica always made me feel so at home and even as a young kid, I remember being impressed with how she took care of her family and kept such a beautiful home and yard. And I remember thinking it so beautiful when Leland would come home from work and they would kiss in greeting. What a special couple! That kind of love is rare and so very, very beautiful.

Leland, how you've loved and taken care of Monica all these years is such an amazing tribute to what kind of man you are and how beautiful your love for Monica is. I say "is" on purpose. That love will never end. It changes the way you get to express it, but the love never dies. I am so sorry for your loss. May God bless you as you adjust to Monica's passing. Renee Roemhild
