“ You were like a second Mom to me before you were my Mother-in-law! We had so much fun together over the 40 some years we knew each other, you were the best Mother-in-law a girl could ask for. I will truly miss your wisdom, sense of humor and your laughter! RIP Ma- Love, Sandy (daughter-in-law ) 😭❤❤❤

“ Such a beautiful lady! May you rest in peace now that you are with your loved ones that preceded you in death. Your family and friends will miss you dearly.

“ Many of summer vacations from school Grandma and I would go on mini adventures, one in particular that sticks in my mind is when we went to the spam museum. We laughed together as we enjoyed one another's company. On a few of our adventures we would get lost but never fret about it as each time was just a new adventure. I will always remember how when it was time to end a phone conversation Grandma NEVER would say "goodbye" it was always talk at ya later or talk again soon, "goodbye" was TOO final. Grandma will always live forever through the many, many memories of friends and family. I love you always grandma, may you forever rest in peace, as you dance to your polka music in heaven watching over each of us.
