

Muriel Ann Bochnak

June 15, 1944 - February 23, 2023

Bochnak, Muriel Ann

Born 6/15/1944; Died February 23, 2023.

Muriel left us for her eternal home on February 23, 2023, after suffering a stroke. Her involved life of volunteering for the organizations she loved leaves a leadership vacuum not easily filled. Her earlier leadership skills were honed in the Mengelkoch Render Co. family business in New Brighton having started working there at fourteen and then managing the company, after her mother's death, until the company closed sometime in the late 90's. Once enrolled at the UMN in Business Administration, in 1962 Muriel joined Kappa Delta Sorority, which gave her a faithful band of lifelong sisters. As an alumna, she wielded her leadership skills with great impact serving as a board member for the local alumnae chapter as well as for national Kappa Delta, one year as President of the local chapter, and 50 years as Editor, both locally and nationally. She received numerous awards for her outstanding and extraordinary leadership. Her commitment to Kappa Delta never wavered and neither did her attendance at national conventions. Not only did Kappa Delta benefit from her well-honed, take-charge abilities but the Woman's Club of Minneapolis and the historic Ard Godfrey House were gifted with her expert organizational abilities, especially evident in the beautifully created fund raising held for the Ard Godfrey House at the Woman's Club.

She will be greatly missed by her longtime companion, Terry Wad, and all those whose lives she touched with her unwavering devotion. She was

preceded in death by her parents and is survived by her sister, Mary and numerous relatives. Mass of Christian Burial 11:00 AM, Tuesday, March 7, with visitation one hour prior at the Church of St. Charles Borromeo, 2739 Stinson Blvd NE, Mpls. A luncheon will follow. Burial will be at St. Mary's Cemetery on Chicago Avenue South next to her family. Memorials may be made to a charity of one's choice.

“ Muriel was a great leader of the Woman’s Club volunteers at the Ard Godfrey house. I enjoyed being trained in for this role by her and another while sitting in her cheerful kitchen.

“ Muriel and I have been friends since our days at the University of MN Business school. I really don't how we became friends as Muriel like to sit at the back of the classroom and I like to sit in the front. I will miss our phone calls every few days. I realiy enjoyed Muriel's fund raisers for the Godfrey House. You will be missed. I extend my sympathy to Terry and Mary. Margaret Wiita
