“ I was one of Muriel's caregivers, she is an amazing woman I was so blessed to be able to work with her she was strong-willed to the very end she took so much pride in her flowers in her yard, my best part was hearing her stories of her growing up thank you Muriel for allowing me to be a part of your life for a short time

“ My husband and I have known Muriel since 1991 when we joined Hennepin Avenue United Methodist Church. I was invited into a beautiful group of friends through the Ruth Chadwick Women's Circle. Every summer, usually in August, Muriel hosted this women's group along with their spouses. We enjoyed wonderful potluck lunches and the outdoor splendor of her vibrant, lush, and very colorful gardens. We treasure those visual memories and especially remember her hospitality and generous spirit. We miss her very much!
