“ *Auntie Myrt... We lost contact through the years, but you will never be forgotten... you were a very important part of my childhood... I loved coming back to Minn to visit with you... and loved even more when you came to visit us... You will always be in my heart... I know we're not supposed to have favorites, but you were mine.. Uncle Jack.. you were my favorite too... I think about you a lot and loved your stories of the Navy... Tim and Al.. We had some fun days when I got to babysit... We were stinkers back then... You're all in my prayers and thoughts... Love and Hugs to you all.. Robin and Danny*
