“ I will miss the hug, kiss, hug from Grandpa when I would see him. My fondest memories is hearing all of his stories, jokes and silly poems as well as his singing/whistling at the kitchen table playing Solitare. He was a wonderful Grandfather, he will be greatly missed. I love you Grandpa.

“ *I will miss you so much, Grandpa. We all have been so blessed to have a character like you in our lives. I will forever hear you whistling and singing, telling stories, poems, and jokes (ROOOOOAAAARRR). I'm proud to have your stubbornness and will always smile when someone compares me to you. I love you more than words can say.*

“ *It is a sad day. He treated me like a grandson. (Sacramento!) I will miss playing dominos and hearing all of the old stories and poems that were told with spunk and great jubilation. His laugh was great and he always made me smile. You will be missed Grandpa...*
