“ *Mitchy and family-*

*My deepest sympathy goes out to you and your family during this difficult time.*

*My aunt wrote this poem about my dad, It made me think of a happier way of my dad's leaving of this Earth. I thought maybe if I shared it with you it could do the same (from my aunt):*

*"A gentle wind blew across the land. Reaching out to take her hand. For on the winds the Angels came. Calling out your loved one's name. Left behind her family's tears. And leaving memories of the years. Of joy and love, a life well spent. And now to God a loved one sent. On Angel's wings, a heavenly flight. Her journey home towards the light. To those who cry a life is gone. But in God's love it is but dawn."*

*The tears and pain that come with missing her will never cease to exist, but the same goes for all of the wonderful memories you share.*

*Mitchy, my love my heart aches for you. Take it from me the stories never grow old. Hold on to them and rejoice that she had a wonderful life. Talk about her all the time, it makes you feel better, and find friends that will listen to you cry over and over again. Lean on me (day or night) and Dimitrios, most importantly find comfort in your family. We are all here for you!*

*Anything you need I am here.*

*My thoughts are with you,*

*Jen*
