“ I was a student of Mr. Hesse the first years that he taught in Plainview, Minnesota; he was there for two years so our class had him for the junior and senior years. He taught junior and senior English and Speech and was the director of the Class Play. I was also one of his students in the 1956-57 speech class; I enjoyed the class which prepared me well for a speech class at the University of Minnesota. He selected "The Little Minister" for the 1958 Senior Class Play; those of us who participated enjoyed the "acting" experience! Many of the Class of '58 have fond memories of Mr. Hesse!
