“ *Nan and I became good friends when we met while going to college at Gustavus. She was a Kennedy HS graduate, a rival to Edina HS. What a wonderful person- energetic, fun, always smiling! We had a great group of friends who were all Health/PE majors ... Peg, Chris, Judy, myself, and Hata! A fun four years together along with many other suitemates at GAC. We stayed connected for some time after college, but then busy lives got in the way and we lost contact. Nan had a long career in school administration - she was such a professional! I remember her doing the student course schedules by hand ... no computers to help... amazing! We will all miss your vibrant personality and true friendship, Hata. Old friends are friends forever.*

“ *I have very fond memories of working with Nan at Bloomington Jefferson. She was always upbeat and had a wonderful manner when dealing with staff and especially students. The students always left her office feeling that they were valued.*
