“ Nanny and i started out as roommates at Methodist Hospital. I thank God our parents were friends. I was so blessed to share our beginnings together and grow up together. Nancy was always like a sister. I am going to miss her something awful. I am praying the family. I am here for you all.

Always

“ Nancy was one of the few people that warmly reached out to others and to me. I am sad to hear of her passing and send love to her family and friends during this difficult time. 🦋 Dawn

“ To the Brand family, this is still so unreal that Nancy is gone, she left way too early. I have many fond memories of her hanging out at the Brand house. I loved her laugh, between her and Glori (or as Nancy called her, Gork) laughing was a blast. She had such a contagious laugh, which is really going to be missed! I'm so glad I got to see her at her Birthday Party! I'm so sorry she has left this world.

Hugs to you all!
