“ Nancy and David were my Host Parents during my stay at Edina ABC. I was thinking about her today and searched her name, only to find this obituary. The Byron family was an awesome unit. I remember spending Sundays with them. Nancy and I would chat while she held a can of Coke and a cigarette. There was always laughter and comfort in their home. I always felt welcome. Terese and Danny I'm deeply sorry for your loss. Sincerely, Frankie

“ I had the honor of meeting Nancy through her son Dan, several years ago. You could tell right away she always wanted to help and make those around her feel welcomed.

On one trip she treated our friend group to a MN Wild hockey game and was adamant that she buy us all a piece of Wild gear. You could see that she was excited and happy to do this for us.

It was as if we were little kids in a candy store and we were her own. I still wear the Wild hat at times, and smile at her caring generosity. She was a wonderful caring soul that looked for the best in those around her and treated people as family.

She will be missed but her memory lives on in all of us.
