“ My dear friend Charles (Cory),
 I'm so sorry to hear of Nancy's passing and the wonderful friend she
 (and you) were to me many years ago. I remember you two invited
 me into your home when we were attending Augsburg College back
 in the 60's-always made me feel welcome, and the water skiing trips
 up at your parents cabin in northern MN-what great fun that was. I
 think Nancy was a great influence in getting you motivated to boost
 your grades-it's a wonder what a wife can do! And she was a
 wonder.
 I hope you can find comfort and peace in the many memories you
 two shared over the years and the help your family can extend to
 you at this time.
 Much love to you and your family
