

## Nancy Hayter

April 7, 1943 - July 2, 2024

Nancy Lee Hayter

Age 81 of St. Paul, MN, born April 7, 1943, passed away July 2, 2024.

Preceded in death by parents, Mary (Carlson) and Guy Hayter and sister, Patricia (Pat) Hayter.

Survived by her cousins, Madreanne, Jean and Mary.

Nancy graduated from St. Joseph's Academy (1961), earned her degree in elementary education from St. Catherine University (1965) and her master's degree in special education from St. Thomas University (1973). She started her teaching career at St. Joseph's Elementary in Lino Lakes. In 1969, she began her long career in St. Paul Public Schools first teaching 3rd and 4th grade and later Special Education.

Nancy traveled widely, visiting places from Russia to Hawaii and spending time with friends who lived in Germany and England. She was an active member of the Craft Group, teacher friends who began meeting to work on craft projects. Nancy was a talented knitter and cross-stitcher. Many of her friends' children grew up snuggling under her beautiful baby blankets and decorating their bedroom walls with her cross-stitched name plates.

Besides the Craft Group outings, Nancy also frequented the monthly St. Joseph's Academy class of 1961 luncheon. Her dear friends, Larry Iwen and Thomas Carroll provided her a real sense of family and saw her through her final months with their presence and guidance. Special thank you to the Health Partners Hospice team and to Dr. Sarah Mazig.
