My prayers to all of you as you prepare to celebrate her life. I will donate to Relay for Life for Sandi and current cancer victims and those still fighting the battle. “ *My sympathies to Nancy's family. She was a willing listener to anyone who needed someone to talk to. I worked with her as an UMP coder and whenever we needed help or information we knew she was the one we could go to. She was very knowledgable and ready to stop what she was doing and help in any way she could. This special person will be sorely missed.*

“ *My deep sympathy to Ken, Sandi, Gloria, and families. I worked with Nancy at Smiley's Clinic. Nancy was kind and caring and always went out of her way to help patients and her co-workers. I very much enjoyed her and her camping and wild-life stories as well. She is missed. You are in my prayers.*
