Oh my little Miss Nancy...I miss you terribly. Such a strong tie with your family. You can tell how much you all loved and adored each other. It pained me to not be able to see you before you passed but know you and your family are in my heart. You were always so kind to me. You always had the best grin and best laugh. Thank you for giggling at my ridiculous and sarcastic humor. (Shelly thank you for mentioning "the girls").

“ I'm so sad for everyone. She was a mom to me for 16 years and I will love her forever. I think of her often but mostly at Christmas when I set up all the (now vintage) Rudolph and the Island of Misfit Toys Figurines that she gave me. She was the best Grama anyone could ask for. She will be missed so much. Sending love and strength this holiday season and beyond.

“ My condolences to your family. Nancy was a wonderful person. I worked with her at Western National for many years and we shared many laughs. Her kids and grandkids were the light of her life, I heard many stories! I love this photo - - it is how I will always remember her, with a smile on her face. I hope you all will find comfort now, knowing that she is at peace. God Bless.

“ *My sincere sympathy to the O'Rourke family! Although I did not know Nancy well, she will be remembered as being one of the most kind, generous and caring people I have ever met! She became sort of a foster grandma to my grandson Luke and showered him with her love. May she rest in peace!*
