“ 20 March 2012 *The Olseth Family* My relationship with Nancy and Dale dates back to the marriage between my son James Empson and Cheryl Olseth. As the two grandmothers of Ingmar and Ian we have had a wonderful friendship, and have enjoyed so many happy times together, both in America, and in England and Europe. Both of the grandsons were baptised in England, where we live, and Nancy and Dale and family were with us on those occasions. Although divided by many, many miles we have always been such firm friends, and have shared so many joint experiences. I am so very sad that she has been taken from us and I shall miss her so much. God be with you, Nancy, and may you Rest in Peace. With our love and sympathy to daughter-in-law Cheryl, to son James, to grandsons Ingmar and Ian, and to all the Olseth family. “ Hello Jon and MaryPat and all of Nancy and Dale's family. What a lovely picture of Nancy. A few years ago she and I went to Nogales, Sonora, MX for lunch and shopping. She and Dale were staying at the Tubac AZ Country Club while visiting the Kings for an Otologics meeting. Before we could go we made a trip to a distant pharmacy for duplicates of Dale's meds, which he'd forgotten. Nancy took care of that, as she saw it as her concern and responsibility. Just like her! We had a fine visit that day. Lots of memories of our sons at Minnehaha Academy -- the sports, surgeries (!), homecoming court, and The Wizard of Oz junior class play which was such a highlight. Both she and Dale loved that! I recall Nancy spoke so highly of all her kids' spouses. I thought it not only complimented her in-laws but also her kids' choices. And her words reflected on Nancy's generous nature too. I remember she found a few Easter items in Mexico for the family. Your sons will always remember Nancy and Dale as you repeat the happy stories. They were wonderful friends. We are sending a check in Nancy's memory to the Plymouth Christian Youth Center. We are sending you our sympathy. Ted and Sidney Gemlich
