“ After going through this recently I feel your pain. "Fancy" Nancy was absolutely with out a doubt one of the most genuine people you could meet. I feel blessed that I had the pleasure of knowing her. No fuddy-duddy about her, she could crack me up. John, your my best friends dad, I wish I could take away your pain. It was so great to see you two so happy, her telling you what to do and you following instructions. Please remember what you had, cherish every moment, every memory. You both deserved the wonderful relationship you had and someday you'll meet again. Our dearest sympathy to all of Nancy's Family. Please call on us if you need anything.
