

Nancy JoAnn Peterson

February 11, 1948 - March 27, 2026

Peterson, Nancy JoAnn (Carroll)

Age 78, of Marcell, MN, passed away peacefully in her sleep on March 27, 2026. Nancy grew up in Deer River, MN. She was a long-time resident of Plymouth, MN where she helped to raise her family with love and devotion before moving to Turtle Lake outside of Marcell, MN to enjoy retirement in God's Country. She was a devoted member of her "Bridge Club" since 1973. She enjoyed feeding hummingbirds and pontoon rides with family and friends. She enjoyed traveling to the Caribbean every winter to visit various islands to procure treasure maps for the grandchildren's annual treasure hunts at the lake. She was particularly fond of Little Cayman and made many friends through her travels. Just like her father before her, she never met a stranger. She was a daughter, a wife, a mother, a grandmother, and a dear friend to many. She will be missed by all who know her. Preceded in death by parents John and Dorothy (Hawkinson) Carroll. Survived by her loving husband of 55 years, David; children, Jenny (Dan) Reed, and Adam (Jenn) Peterson; and four loving grandchildren, Jonathan Reed, Jacob Reed, Grace Reed, and Wyatt Peterson. Funeral service at Calvary Golden Valley Campus on Tuesday April 7th. Visitation begins at 10 AM. Funeral Service at 11 AM. Interment at Washburn-McReavy Glen Haven Memorial Gardens to follow. Memorials preferred to the ALS Association.

“ Nancy was a woman of faith, a mother, grandmother and a great friend to all who met her. She had the ability to solve problems and find answers to questions that no one else could find. I called her my personal librarian. She was the keeper of information on our bridge group. She knew all the birth dates, grandkids and special events of all 7 other players. She would never forget a special event. Butter was only meant to be put on thick even to the last bite. Family was the most important thing in her life next to her faith. She creatively arranged experiences for every family member. Whether it was treasure hunts for all the grandkids, hiding Christmas money or planning incredible family vacations; she approached each experience with gusto and a fun idea. When playing Trivial Pursuit you always wanted her on your team. She brought fun and joy to so many people. I will miss her dearly, but look forward to being together in heaven—maybe playing Trivial Pursuit Pursuit!
