April 26, 2012

Steidl, Nancy L. Age 56, of Bloomington, went peacefully to be with the Lord on April 25, 2012. Born and raised in Carlos, MN to a family of four children. Nancy graduated from Jefferson High School in Alexandria, MN and then from Alexandria Technical and Community College in 1973. She married her best friend and partner in life, Jerry in 1974. They moved to Bloomington in 1975 where they raised two children, Ryan and Shana. She worked as a professor's assistant at the U of MN and then became husband Jerry's business partner for 34 years as they built their American Family Insurance agency. Nancy and Jerry were blessed with 37 years together and cherished all the time they shared. Nancy was a supportive and wonderful mother. Her family shared countless lasting memories of camping, biking, snowmobiling, ATVing, traveling and time at the cabin, with family always being the focus of any activity. We will all miss her bright personality and her beautiful smile. Her strength and attitude were truly an inspiration. Nancy will be deeply missed every day by family and friends. Her spirit will live on in the lives of so many that she touched. Her grace and positivity didn't waver throughout her battle. “ I find my heart heavy this morning thinking of Nancy and this great loss for your family. She was always a friendly face for me at the many Serie gatherings over the years. And, although I did not know her well, I know how very much Pat cherished her sister and so I know she was a truly wonderful woman and will be greatly missed by all. Thinking of your family with great sympathy. Love, Sandy and Tom Jasko
