“ Dear Uncle Jack - I just recieved this notice from Higgins. I read all of the comments and cried. Aunt Nancy was our favorite aunt and Bridget and I strive everyday to be exactly like our mother and her sister. We have yet to pick out identical wallpaper, but I feel it coming on. All the childhood memories, all of the holidays and the fabulous Swift cousins are in my thoughts and prayers. Hope to see you all soon for a big group hug. All my love and sympathy.
