“ *Jeannie and I shared a room at the VA. I had a knee replacement done my left & she had her right done in 2007. We both got be really good friends , I also served in the Air Force. We shared stories about our stumps as she called it. We went out to eat quite a bit, We would share coupons. exchanged; addresses, She and I exchanged little gifts etc. We were always laughing about one thing or another. I knew of her car stretch. We would make our day many times. She was an exceptional Lady always thinking of others. I feel fortunate to have known her. She will certainly be missed,*
